PERSONAL STATEMENT:

I am running for the Columbus Bar Association Board of Governors position of President. I have been a CBA member since moving to Columbus in 2010. I joined the CBA as a first-year law student and have been actively engaged since then. I participated in the Summer Clerkship Program as a 1L student, graduated from the Barrister Leadership Program, served a co-chair of the Minorities in the Law Committee, and even returned to the Clerkship Program as an employer. I am devoted to the good work the CBA has done and plans to continue into these next few years in our new space in the Arena District. I know the CBA is where I BELONG, now let me show you why it's where YOU BELONG! I look forward to having the opportunity to serve you and thank you for your consideration.
